Season Greetings and a Happy New Year to all AVH clients. While putting this together I popped out and put the Christmas lights out in the garden. Still waiting to put up the decorations inside. Looking forward for the celebrations and the smile on people's faces. Need to wrap up as the cold weather is moving in. Dust off the stamp albums because we have 1000's of lots to go through. Trying to mix it up with what is being offered. We have a run of 1971 strike mail material. Not something you see every week. New run of Zeppelin flight covers with many South American flights. Through the A-Z sets and singles there is a good mix of Foreign, Europe and Commonwealth. Great Britain is still fairly small, but a good selection to look through. We have collections throughout the catalogue, which are great to break down.

Due to the increasing costs and changes to services offered by the Post Office, we are asking if you would like your purchases to be posted, insured or uninsured (which will be at your risk).

So, when you have taken off your dancing shoes and cleared the head from the celebrations, send your bids in and try to win the lots you have found to bid on.

Give us a call or email if you have any questions.
