Intro

As the days get longer, you have plenty of time to go through your stamp collections. Our first sale of the year was very busy with people adjusting to having an account number. If you have bid in AVH auctions recently, you will be given an account number that stays with you. Please use this reference when communicating with us. You will find it on your bid form and invoice.

This auction is packed with new lots through out the catalogue. Some lots have been reoffered at a reduced estimate. This gives many sections to look through. Within the mixed lots we have a great assortment of lots to sort through. The one country section has an interesting selection of Germany, States, Occupation, Post Offices, etc. It includes 1862 Baden 30K orange VFU with authentication marks (SG 10), Lot 962. An item rarely seen in this condition. We have many sets and singles in fine condition waiting for someone to bid on them. Our Great Britain section also has a great run of material. It includes a great lot of imperf penny reds for sorting (Lot 2180) and 1878 £1 brown VFU (SG 129, Lot 2339) and an unmounted 1884 10/– Bright Ultramarine (SG 183, Lot 2367), also 1913 Seahorse £1 unmounted ovpt'd Cancelled with Wenvoe 2023 Cert (SG 404u, Lot 2438). With lots from £5 to £1,000's you should find something of interest.
