The year is slipping away so quickly (soon be Christmas). The sun is showing but with a cold wind stopping any shorts and tee shirts being worn. Summer is on its way, and many of you will be going away for a holiday. Don't forget to get your bids in before you go. You can download the auction catalogue from anywhere in the world using the website, also results after the auction. This auction has many sets and singles throughout the catalogue. 1948 Silver Wedding have been listed under omnibus and under countries. Some interesting Postal History and a selection of Zeppelins. Within the Great Britain section, you will find cds used and good used to give you some options.

Postal costs have gone up again so please bear with us in getting any purchased lots to you after the auction. We do try to get them out as quick as we can. Please remember when sending in your bid forms that some stamps have been discontinued, any envelopes with old regionals or definitives will not get through. You can phone, before the auction closes, to confirm receipt of your bids. I would hate for you to miss out. With that cheery note, I wish you all the best with your bids.
