After the heat comes the cold. On goes the heating, the nights draw in. Perfect for stamp collecting, check out the catalogue for those missing items. Lots of new material of all periods. Some interesting mixed lots waiting to get sorted. We have a variety of Commonwealth and Foreign, sets and singles, mint and used. The Great Britain section has a run of new lots and some reduced reoffered lots. We are having fun with the Post Office, and the second-class service is taking a while to get through.
