We would like to say thank you to all clients for your patience on the last auction. It proved to be one of our busiest in respect of number of clients and lots sold. Thank you for giving us time to get all the lots out to everyone. A computer glitch which failed to send invoices but then decided to send them a week later caused a few inquiries. Computers don't you love them when they are working but throw them out the window when they don't. My rant over.

This Auction is a little bit smaller than the last, but has lots of good lots through out. It has a wide range of A – Z mint and used – sets, singles and collections. Great Britain has a variety of errors through the reigns. Interesting Essay's, Cinderella and Postal History material leads into a range of 1840 1d blacks and line engraved. You will find a good run through for all reigns.

With the ongoing uncertainty within the postal system, please check your bid forms have been received.
