Well, I hope you all had a good summer and didn't get too burnt or too wet. What a mixed summer for everyone. With global warming around I think it will be this way more often. Aren't we lucky to have our stamps to keep us on the straight and narrow. With the nights drawing in we have got lots of collections in this auction to have fun sorting through. Over 500 mixed, One Country Albums and Envelopes to look through. Many hidden gems waiting to be found.

As usual we have all the normal sections but this time, we have a large Postal History section (over 100 lots). I have moved the Great Britain Postal History so that it is all in one place at the beginning. Album pages has over 100 lots and mixed lots nearly 50 to go through. It does include two GVI SG Crown albums (Lots 135 and 136) which are both well filled, looking for someone to take on a new project. We have the usual run of one country collections, sets and singles A-Z, Strong showing of Australia, Austria, Canada, France (inc Occ/Colonies), Germany (inc Occ/States), Gibraltar, Hong Kong, Malayan States, Mauritius, New Zealand, Seychelles, Switzerland, etc. Also, many smaller sections of a wide range of countries. Great Britain is getting harder to find the variety of material that we have previously offered. The vendors have dug deep and come up with a wide range through all periods Q Victoria to QEII (no King Charles lots yet). You will find a good run of normal and specialised items. We have many varieties that always look good in any collection at a range of estimates.

Good Hunting from Colin and Pauline.

Office opening hours Monday – Friday 9.00am – 5.00pm
