First auction of 2024 and I hope you have enjoyed or enjoying the festive period. Weather is changing and winter chills coming in. A good time to get your stamp collection out and see what you are missing. Once again, this auction is packed with new material for collectors and dealers. We have collections, sets and singles of all values and periods. Items that will fill holes or collections to break down. Unfortunately, we have had to impose a 5% Buyers Premium on our Postal Auctions. This is due to rising basic costs i.e., Paper, Printing, Stationery, Postage, etc. If you want to know what impact this will have on you, we are happy to talk it through.

We have noticed a lot of clients have been having problems with their post. If you have posted a bid form, please check that we have received it before the auction closes. Also, if you want to see how your bids are doing, contact us before auction closes.

Good Hunting from Colin and Pauline.
