Seasons Greeting to all our clients and a Happy New Year for 2026. A Great time of year for getting together or dusting off the albums and checking out what you are missing. This auction has lots of mixed lots for sorting and breaking down. Also, many sets and singles for those individual gaps. With some new vendors material giving some strong selections/countries. These include French Andorra, New Zealand, Hong Kong, North Borneo, New Guinea, Switzerland, USA, etc. Great Britain has been boosted with a selection of 1840 1d blacks and some high values. A good run of line engraved and surface printed, including some used abroad and Specimens. We have had some odd Accessories or Literature offered which people have found very useful. We continue to use the Acc Numbers (As per Invoice or Bid Form), so remember to include it on your email or ref in payment. This speeds the processing of bids and invoicing.

If you don't find anything of interest this time, many items are in the pipeline to be offered in latter auctions. Keep checking them out, you never know what is coming up next.
