Spring with the tail end of Winter. The year progresses and we are looking forward to summer. Until we get there you can still look through the catalogue for singles or collections to fill gaps or give you some fun sorting. You will find the Cigarette cards all offered at £5 estimate to clear. A selection of World lots in Albums, Stockbooks and Boxes, waiting to be sorted out or broken down and resold. Accessories include 2 post Devon, Philatelic and Springback albums. We are offering some useful and interesting Literature and Cinderella lots. After that you will find a good run of 1935 Jubilee, 1948/9 Weddings, 1949 UPU's omnibus sets to fill those odd gaps. Thematics includes some Trains, etc. Aden to Zululand Collections, sets, singles, varieties, etc, mint and used. Lots to look through to suit all collectors and dealers alike.

The Great Britain section has a run of 1840 1d blacks and 1843 1d red plate numbers. The 1843 1d reds has a lifetime collection of inverted watermarks broken down, giving a great opportunity to add to your collection. It includes many high/low values all priced to condition. There are many errors offered as they have been receiving a lot of interest.
